

Notice of Variety Substitution:

We have just been informed by Syngenta Flowers that Calibrachoa **Callie Eclipse Raspberry** will not be available for the 2020 growing season. Suggested “best” substitute variety is **Callie Eclipse Strawberry**, also available is variety **Cabrio Eclipse Strawberry**.

ACTION PLAN FROM PLANTPEDDLER:

Calibrachoa Callie Eclipse Strawberry will be immediately secured for and acknowledged as the substitute for *Callie Eclipse Raspberry*, for all previously confirmed orders and any new orders for the 2020 Young Plant Season. If you would like to change your order to a different variety, please call us or have your broker make the changes.
